Barbara graduated from Granite High in Salt Lake City, where she was in the pep club, member of the student council, dance club, etc. She started taking dancing lessons about the age of 10 and fell in love with it. It became a part of her life for many years.

Her parents bought a home in Francis, Utah when she was a teenager and the family spent many weekends there until they finally made it a permanent home. Barbara and her sisters made many new friends in their new location, one of those friends being Lee Murdock from Heber.

Lee Stewart Murdock was born on October 4, 1940 to Thomas C. and Millie Lindsay Murdock. He has two brothers, Vernon and Tom, and three sisters, Doris Mahoney, Hope Clark and Kathleen Campbell. He had a brother that was stillborn and a brother who died when he was six. Lee grew up in Heber and graduated from Wasatch High. Lee and Barbara were married on February 3, 1961 in Heber City, Utah. They lived the next four years in Salt Lake City where their first two children, Launa and Doug, were born. At this time, the computer industry was just beginning to develop and Lee was lucky enough to get into a field which has given him many challenges and success in his career.

The family lived in Port Hueneheme, California for one a half years, where Lee worked at the Point Mugu Pacific missile range. Their third child, Carolyn Kaye was born in Oxnard, California on October 27, 1966. When Carolyn was three weeks old, the family moved to Murray, Utah where they lived for two and a half years.

Lee was given the opportunity to help start a new computer consulting firm in Vancouver, British Columbia, so the family headed north where they spent the next nine years. During this time, Lee worked as a management consultant and for the British Columbia Telephone Company. Their last child, Patricia Jean, was born in Burnaby, B.C. on January 13, 1971. The family was involved in many different activities, including scouting, team swimming, ice skating, soccer and dancing. It is beautiful country in B.C. and many weekends were spent touring and camping. The Murdocks love to go camping.

Lee then decided he would like to see his family have the opportunity of living in a small town and establishing some roots, so they moved to Heber City in March of 1978. A year later, Lee was asked to do some more consulting work in B.C., so he spent the next year flying back and forth between Heber and Vancouver. Lee is now employed at Signetics in Orem as their Computer Services Manager.

Launa Lee was born October 19, 1961. She had the opportunity to be an exchange student in Brazil for one year and graduated from Wasatch High. She served a mission to Seoul, Korea, is a swimming instructor and life guard and now has a summer swim team in Heber. Launa and Doug became emergency medical technicians (EMT's) with the Wasatch County Ambulance. It was at this time that Launa met Steve Nielson from Midway, who was also an EMT, and they were later married on November 26, 1985. Launa and Steve live in Midway and are attending BYU. Barbara later joined them as an EMT and made it a family affair.
